Activity 1.1 Instant Challenge: Cable Car. Introduction. There are many ways to solve a problem. Sometimes it is as simple as applying a piece of duct tape. Other times it takes months or years for a product to progress from an idea into full-scale production. Often engineers and designers use a systematic approach to find the best solution to a problem.

My name is Hunter Lindell, and I am a member of the class of 2016 at Palatine High School. I am currently, as a sophomore in 2013, in the Introduction to Engineering. I chose to take the Introduction to Engineering class because it looked like an interesting class because of the different design challenges that take place.
