standing. The new lighthouse is constructed of precast concrete rings; its pattern of black and white bands is impregnated into the concrete. It remains in use today, monitored and controlled from the Trinity House Operations and Planning Centre at H

Dungeness Lighthouse - Wikipedia

But the first question to ask is why are there two lighthouses here? There have actually been five lighthouses at Dungeness over time. This one is the fourth, the black and white striped lighthouse to our left (east) is the fifth and newest. To find out why we're going to walk towards the new lighthouse.
