Corporate Style Guide Template

The brand manual and style guide has a very close relationship. The style guide, however, emphasizes the design aspect of your brand. Like the colors, fonts, and logo guidelines. This template is made to showcase all those parts of your brand. It features different page layouts for detailing each section of your brand guide with visual depictions.

style guide to add your company's story, logo, typeface, color palette and so on. When you are done, make sure to send it to everyone working for your company.

Modern Corporate Style Guide Template - Flipsnack

The corporate style guide template I have prepared is based on my experience using style guides and discussions with people about how to present certain information within a business. It is in sections so that people can be given as much or as little of it as necessary for their role – for instance, giving a graphic designer the design section only.
