The basic writings of Han Fei Tzu are certainly the Chinese equivalent to "The Prince", but even more harsh. It's like Machiavelli on steroids and a really good snort of cocaine ;-)
Absolutely amazing! Seriously though, Han Fei Tzu writes with profound understanding on power and leadership.

No farmer should ever have a reward that let him stop farming, no under-lord should ever have wealth that could support his own power base. A happy populace was important to Han Fei's government, but only because a satisfied peasantry was harder to stir to revolt. Han Fei also argued against a large educated class.
