Scotch on canvas: the art of whisky. John Robertson, founder of consultancy firm Messrs Whisky & Co, finds out why Argentine artist Gisela Garcia Gleria was inspired to put whisky on canvas and how she captures the subtle essences of the dram. THE subjects of fine art and Scotch whisky might not be obvious companions but, when the two come together, it opens up a world of craft, subtlety and expression for the beholder to explore.

Of all the many books on whisky I have written in the last 25 years and more this was the one screaming to be published in hardback. Indeed, when I first researched and wrote The Art of Whisky there were plans afoot to make it into a lush coffee table celebration of the stupendous artwork which depicted the whisky advertising scene of the late 19 th and early 20 th century.

The Art of Whisky. The art and the creation of a whisky are two styles of art that I have decided to associate in one bottle. My love for Scottish art and local artists from all ages and styles, and who often love whisky, gave me the idea of using my whisky creations and associate each of them to a Scottish artist. Each bottle and packaging tells the story of the painting, the artist and the whisky.
