The Top 100 Dreams Book – Ian Wallace Dreams. Everyone dreams. We all dream but dreaming usually seems to be a confusing and random activity that fills the emptiness of sleep as we rest and recover. Bizarre stories that appear to make no sense at all and which then just fade away in the light of a new morning.

Ian Wallace, author of *The Top 100 Dreams: The Dreams That We All Have and What They Really Mean*, believes that dreams are not things that happen to us but, rather, episodes that we create during sleep toward gaining a deeper, better understanding of ourselves and our lives. “ As we journey through life and become more mature and experienced, we often begin to connect with personal qualities that may have seemed less available to us when we were younger, ” he said.
